

Seventh Year of Service In Peru
The Baptist Preparatory School
(Little Rock, Arkansas)

Praising God For His Mercy & Love

For the seventh year in a row, Rooted In Grace & Love has been blessed to have The Baptist Preparatory School serve in Peru. This faithful team of twelve, led this year by Lucinda Clark and Levi Miller, joined us to share the LOVE of JESUS CHRIST to many in Curahuasi and other surrounding villages. Each high school student, all fluent in Spanish, came prepared to share their personal testimonies and walks of faith and to teach women, men, and children about how salvation is found in JESUS alone. Our days were packed, as we traveled to local homes and remote areas to minister in small church plants, schools, and on the streets where many children gather to play. Pray as hundreds heard the GOOD NEWS. Our prayer is that many will turn from their worthless idols and gods and put their complete hope and faith in God's only Son. We ask that you lift up each of these students, as many are preparing to leave for college and universities over the coming months. Pray for God to lead and direct them, as many seek to follow Jesus and reach their peers for CHRIST in their schools and beyond.

Unexpected heavy rains continue to fall in Curahuasi. The rainy season is lasting longer than it has in years. In April, the Rooted In Grace & Love mission home was flooded by contaminated sewer waters, as the retaining wall collapsed on the property. Within hours, God sent many missionaries serving in the local mission hospital and local brothers and sisters to help with the damage. We want to thank so many from the States who prayed for our family and are continuing to pray for the families who have been affected. We are praising God for His faithfulness in all that He has provided during this season, as many have lost their homes due to devastating mudslides and suffered from sicknesses contracted by the contaminated rain waters.

TRULY, I SAY TO YOU, AS YOU DID IT TO ONE OF THE LEAST OF THESE MY BROTHERS, YOU DID IT TO ME.
~MATTHEW 25:40

Footbridge Dental Team Returns To Peru

For almost one year, the Rooted In Grace & Love mission team, prayed, planned, and prepared for the Footbridge dental group to return to Curahuasi, Peru. The Rooted In Grace & Love mission team worked along side other local missionaries, Brendan and Erin Connally, to identify two remote villages for the dental clinics. The Connally's have been serving near these villages of San Luis and Concacha over the last few years and have built a strong relationship with the local Baptist church.

Our prayer was that God would prepare a way for the Footbridge dental team to come again and help us bring the GOOD NEWS of JESUS CHRIST to many of the people living in these remote villages. We praise God for bringing this very talented group of individuals. Even in the midst of what we thought was trouble (luggage delayed and not arriving on time), we found that God opened doors to minister in other ways. The Footbridge team stepped up and helped bring much needed food to families suffering from a recent flood. God is so faithful, His timing is always perfect.

We thank God for sending Footbridge dental team thousands of miles to the beautiful Andes Mountains of Peru to serve along side our ministry. We have been blessed in knowing that many of the team members sacrificed and took a huge step of faith in leaving their families and comfortable lives, to help take the Gospel to spiritually dark areas of Peru. Please continue to pray for Brendan and Erin Connally, as their family continues to serve as missionaries here in Peru. Thank you Footbridge for an incredible week!

We also would like to thank you for all the love and support that you continue to give to Rooted In Grace & Love. We are so humbled by your sacrificial love and giving to help us minister to the people in Peru. Please pray daily for many lost to come to know Jesus Christ as their Lord and Savior. Pray that the Lord will use us in mighty ways.

May God Bless You All-
