EPHESIANS 3:17-21

## SEPTEMBER & OCTOBER

LOVE IS IN THE AIR

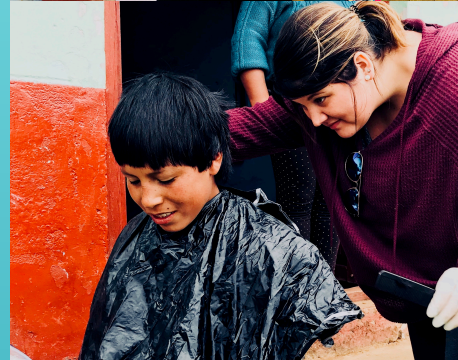

### YADKINVILLE, NORTH CAROLINA

VOLUNTEERS SERVE FAITHFULLY

We have been so blessed this year having many teams come from the United States, to join us with the mission work in Peru. We praise God for so many of our faithful church families and supporters, who continuously lift us up in prayer. September and October have been very EXCITING months, as the Rooted In Grace & Love mission team welcomed our Yadkinville, NC, friends to Curahuasi, Peru. Patty Williams, led a team of four, to the village to help minister to the local people. Each team member shared lots of LOVE to the locals as they traveled to several of the local villages. We give God all the glory as He brought four very talented ladies with AMAZING gifts to partner and help with sharing the Good News. Please pray for all the individuals who heard about the *one and only* Savior of the world, Jesus Christ. Pray that they will put their trust in only Him. We were reminded many times throughout this mission week of God's Word. "I wait for the Lord, my soul waits, and in his word I hope." (Psalm 130:5) Thank you, Patty, for faithfully serving again in Peru. We pray blessings on you, Paulette, Teresa, and Kristin, and look forward to the day you all return.

We are continuing to see miracles in the life of Baby Anderson, as he struggles daily with the diagnosis of an enlarged heart. Anderson has taken his first steps and appears to be THRIVING physically. We give God all the glory as we expectantly pray for God's will on Anderson's life. Truly, God is the Great Physician, and we thank Him for each and every day that he gives life to Baby Anderson. Team after team, has laid hands on him and our hope is that Anderson's heart will be healed.

We would like to highlight Mike Johnson (Statesville, NC) for sending us 20 solar Bible devices to be used for our pastoral training. The laymen pastors in the remote villages were so excited to have this as a tool to help them pastor and lead their church families. Mike joined our dear friends for a mission trip in Cajamarca, Peru, and helped distribute this amazing evangelical resources to many areas. Please pray for every pastor who received them and for their hearts to teach the TRUTH.

SERVING FAITHFULLY SINCE 2016

Lots of excitement is filling the rooms of the Urubamba All Boys Children Home. Thank you to so many who have helped them financially and for daily lifting them in prayer. Each month, food has been provided to help the directors give the boys their daily nutrients. Also, this year, donations have been received to help the home purchase new mattresses. Please continue to pray for the house parents, Hector and Maritza. Lift them up in your daily prayers. Their hope is to disciple and raise each child to have a personal relationship with Jesus. Pray for the 28 boys in the home. Lord, you know their every need and we praise you for providing them the needed resources.

We would also like to thank Jakin Fox and Gary Dyson for helping to host the 1st Annual Rooted In Grace & Love Golf Tournament in October at the River Oaks Golf Club. What a beautiful day as many excited golf players gathered in Statesville to share their LOVE of golf and their hearts for missions. The Rooted In Grace & Love team would like to thank all the corporate and individual sponsors for making this day possible. Thank you for the many volunteers who helped with this fundraiser and for the door prizes that were donated. Pray as we use the funds raised during this event to help us with Project Hope and reaching the impoverished youth in Peru. We look forward to seeing everyone return next year for another INCREDIBLE event.

From all of us serving on the Rooted In Grace & Love mission team, we again, would like to say thank you! We could not be able to minister without so many faithful followers and believers in Jesus Christ partnering with us in our work. We are all on this great mission to take the Gospel to the ends of the earth. Thank you for your support.

May God Bless You All,
