

Toto-Ray Alta Church Celebrating Their 18th Anniversary

**DURING MAY**, one of our favorite villages in Peru celebrated 18 years of the establishment of their church. It has been a blessing to see this church continue to grow. We give God all the glory! Thank you to many who helped support not only financially, but also prayerfully and physically joining us in Peru to help us minister to this community. We greatly appreciate the support given for the final construction of their new ministry building. This extra building space will give them rooms for Sunday School classes and other ministry needs that they have. Please continue to pray for the village of Toto-Ray Alta and for this church to be a great light for this community.

Project Hope is underway, as we are now into our third month. Each week we are focusing on the fundamentals of our Christian faith. This past month has been very difficult for the Project Hope team. One of our youth lost his life due to a tragic accident as he was taking care of animals. Please pray for Rusman's family and for our team as we continue to minister to them during this time of loss. We know God has a plan for everything and uses every thing for His good. We praise him as each week after Rusman's death, the Spirit of God is moving. Miracles are happening and hearts are opening to hearing the Good News. Twenty one youth recently made a decision to follow Christ. All of heaven is rejoicing! We praise you, God, for your faithfulness, mercy, and unending **LOVE**.

**PROJECT HOPE UPDATES...**

All 180 youth received their new Bibles this month. Thank you to so many individuals and churches who have helped support this ministry and the purchasing of these amazing bibles. For many, this is their very first Bible. Please pray as we continue to feed and disciple the youth each week.

Thank you Western Avenue Baptist Church for faithfully serving again in Peru. You all have touched so many lives and have greatly encouraged our family. Each day the team traveled and walked many miles to help us share the gospel of JESUS CHRIST. Throughout the week the team boldly shared their hearts and testimonies of faith with many of the local children, youth, and adults living with no hope of a Savior. Please pray for many who accepted JESUS CHRIST as their Savior. Pray as we continue to disciple them. Thank you all who supported this team and who lifted up prayers daily and for each team member for sacrificing so much to come and help us minister.

What a BLESSING to have Beulah, Mountain Road & Rocky Hill Baptist Team for serving together in Curahausi! The team joined us each morning to help us share the Good News Of Jesus Christ to many families living in nearby villages and LOVED on the youth daily at Project Hope. God opened up doors and united us to pray over hurting people in need of a Savior. What a beautiful picture of the church, as individuals from different congregations joined together to serve in foreign lands to make Jesus known. We are praying for you all to continue to share JESUS each day with others. He is so worth it and we praise Him for sending His servants!

Our family would like to thank you all for your prayers, messages of encouragement, and for supporting the mission here in Peru. We praise God for your partnership! We know, apart from Him we can do NOTHING. Our hearts have been heavy for our family and friends back home and around the world. We have been reminded recently how short this life is. Our prayer is that if you have not made a decision to follow JESUS CHRIST, that you will not let this day pass without putting your trust and faith in Him, the one and only Savior. We pray for lost family members and co-workers, who have not yet heard of the saving power of Jesus Christ. God, please cause the goodness of your salvation to reach many today. God, help us not to keep this good news to ourselves, but to boldly proclaim the gospel to our families, friends, and whoever you put in our paths. We pray this with all our heart. Amen.

With love,
