

MERRY CHRISTMAS

For unto you is born this day in the city of David a Savior, who is Christ the Lord. Luke 2:11

MERRY CHRISTMAS AND HAPPY NEW YEAR!

We praise God for all that He has done and provided throughout the last eight years of ministering in Peru. As this year comes to an end, we want to share some of our ministry highlights for 2019 and thank you AGAIN for your partnership with Rooted In Grace & Love. This year, one of our greatest highlights was seeing many of the youth in Project Hope make a decision to follow Jesus Christ. Lives have been forever changed and we give God all the Glory for this new ministry!

November and December are filled with lots of LOVE and excitement as we prepare to celebrate the birth of our Risen Savior. We have had multiple Christmas fiestas with the youth, adults, and children to share the greatest gift this world has ever known, Jesus Christ. We are so thankful for the donations, school supplies, clothes, and for all the many gifts that churches and individuals sent us to help us minister to families in need both physically and spiritually. Smiles lit up many faces and our hearts were full of JOY being able to love on each precious child of God.

We are super excited for Year 2020 and for all that the Lord has in store. We are excited that God has called a new couple to join us in the ministry, Greg & Whitney Mathis. Please pray for them as they prepare to move to Peru in Spring of 2020. Also, please pray for our family as we travel to the States to share lots of the ministry updates with our church families and friends. We ask that you pray for our children as they will soon be celebrating their winter birthdays, getting their driver license & permits, and taking the necessary college exams while stateside. The Heath kids are super excited for this upcoming time being back together in our home country.

Please continue to pray for our ministry partners in Peru in our absence. Our prayer is that God will continue to move in the hearts of the youth each week at Project Hope. We pray for grace and mercy for the staff at Project Hope and for our partners at the local schools and orphanages. God has ALWAYS been faithful and we have been truly BLESSED from our local brothers and sisters in Christ here in Peru. Thank you again for your servant hearts, prayers, and support throughout this year. Please continue to follow us on this faith journey. Our HOPE is that many will make a decision to follow JESUS!

May God Bless You All!

THANK YOU FOR HELPING MAKING THIS POSSIBLE

Hosted 12 US Church Teams - churches partnered along side the mission in Peru to help spread and advance the Gospel of JESUS CHRIST.

For the third year, Rooted In Grace & Love has helped financially support and send a local Peruvian missionary family to seminary.

Praise God for Samaritan's Purse - as we partnered with them to help construct the new kitchen and dining hall for Project Hope.

Thank you to many individuals and churches who helped us minister to local village schools, opening the doors to teach the Bible each week.

Many amazing women traveled many miles to come and help us lead weekly ladies ministries in the remote village of Toto-Ray Alta.

For many of the men who used their gifts and talents from the USA to come and help us during the construction process of the Project Hope.

For several teaching pastors who helped us provide resources and biblical training to remote laymen pastors.

Praising God, as the English worship service continued this year for the third year, ministering to other local missionary families and local Peruvian families.

Giving God all the glory, as an amazing partnership was formed this year with the local church through Project Hope. Each week, Rooted In Grace & Love joined together in LOVE to disciple and feed 900 hot meals five days a week to 180 high school teenagers.

Giving God all the GLORY for allowing us to work along side the all boys' orphanage located in Urubamba.

To all the donations that safely arrived in Peru this year, helping us to lead numerous outreach street VBS ministries in remote villages to share the Gospel and disciple youth and children.

Thank you for the financial help in providing, on average of 4 families per week, with a month's supply of food - opening the doors to build relationship and minister to families in extreme poverty.

If you would like more information on partnering with us through a short term mission trip or other ways you can help support the ministry, please contact us @ sean.heath@rootedingraceandlove.org.

Your tax-deductible donations are greatly appreciated and can be made to:
