EPHESIANS 3:17-21

**COME TO ME, ALL
WHO LABOR AND
ARE HEAVY
LADEN, AND I WILL
GIVE YOU REST.**

MATTHEW 11:28

We PRAISE God for His continuous provisions for the mission in Peru. These last two months have not been easy. All of our mission team members suffered from the virus. We give God all the glory as each one recovered including Lucinda (Director of Missions) after she had been hospitalized from severe, life threatening symptoms. Our family was blessed from our short trip to Peru and witnessing first hand the faithfulness of our team. Lucinda told us that she counts it all as JOY that she had the virus, knowing now that God has given her another opportunity to share His love and for giving her a better understanding on how to minister to others who are suffering with the same symptoms and pain.

Just over the last two months, hundreds have heard about the saving grace of JESUS CHRIST. We praise God for the new believers. We praise God for opening doors through these difficult times to disciple and encourage our new brothers and sisters in Christ. Pray as there is still great confusion within the villages on how the virus is spread. Many families do not understand and are continuing to pass it from one family member to the next, causing a HUGE increase in cases. Unfortunately, when members of a village get the virus, the people will shun them, leaving them feeling all alone and with little help. Reports from Cusco are still showing little to no hospital beds open, causing an increase in overall deaths.

BUT GOD...He is so much bigger, He is all knowing. And the good news is that He LOVES us all. He is providing a way to help the people in Peru.

**PRAY THAT HE WILL LEAD OUR MISSION...PRAY FOR
LOST SOULS TO PUT THEIR FAITH & TRUST IN JESUS.**

HOW TO BE INVOLVED WITH PROJECT HOPE PERU:

We are so grateful for all the continuous prayers being lifted up for the mission in Peru. We have a HUGE task ahead of us for this year as we HOPE to reach over **6,000 individuals** with the Good News of JESUS CHRIST. Praise God for the support each month as our team travels from village to village delivering sacks of food and supplies to families in need. Each sack packaged for ONE FAMILY is filled with \$50 of non-perishable food and other special items needed (medical, clothing, and school supplies). ***Our HOPE is to share with each family and individual the GOOD NEWS of JESUS CHRIST.***

Please pray daily for PROJECT HOPE.

- Pray for the protection and health of the missionaries.
- Pray for **MANY** to put their FAITH and HOPE in JESUS.
- Pray for the country of Peru as a whole. Right now, Peru is facing devastating economic impacts and medical supplies and resources are extremely limited to help medical personnel fight COVID-19.
