

AND I WILL GIVE YOU A NEW HEART, AND A NEW SPIRIT I WILL PUT WITHIN YOU. AND I WILL REMOVE THE HEART OF STONE FROM YOUR FLESH AND GIVE YOU A HEART OF FLESH.

Ezekiel 36:26

GOD, OPEN OUR EYES AND HELP US TO REALIZE THAT WE ARE ALL IN DESPERATE NEED FOR A SAVIOR.

LIVES THAT HAVE BEEN FOREVER CHANGED UPDATES FROM OUR FRONT LINE MISSIONARIES SERVING IN PERU

I have known Julie and her daughter Belen for a long time. They always professed to be very Catholic, meaning they would go to all the masses and the celebrations of the saints or idols. When I spoke about God to Julie, she told me that she would never change and that she would always believe in her idols. I continued to pray for her and I felt I needed to continue to love her and share Jesus with her. The last time I visited her house I left her a Bible and told her that I was praying for her and her family. God is merciful and faithful. Since that day, Julie is now coming to our weekly Bible meetings to understand and know more about our Lord and Savior. She put her faith in Jesus! Her decision to follow Jesus has greatly affected my life. Julie now attends church. She is now our sister in Christ and says that she has peace in her heart. She praises God and gives Him thanks for the great love he has for her. Julie shared her testimony of faith with her daughter and her daughter is also now very active in church and is eager to learn more about God. They are new believers, so I ask that you please pray for them. I thank God for his great love and mercy.

One day when we were out visiting families to share the Good News with them and give them some much needed food, we met a lady named Mariella. She is 23 years old and has two children. She lived near a house we were visiting and we had not planned to visit the house of Mariella on this day, but God had different plans. God put her in our path this day. It surprised me to see a mom with two children, being so young and similar in age to me. As we talked with her, she shared how her husband was out looking for work and how they are in great need. She shared how they were new to this area and she does not know many people. I could sense that she was not looking for a meal, but that she desperately wanted to hear the Word of God. We gave her a Bible and food, but to our surprise, the food did not seem as important to her. She shared with great joy that all she wants is to know God. We shared the Gospel with her. We feel like her life was immediately changed. She shared that her desire is for her children and her husband to know God and for God to guide them all on the right path. Since that day, Mariella is faithfully coming to church with her husband and her two little ones. This visit greatly impacted my life, seeing God working in her heart.

Please continue to pray for the protection and health of our missionaries. They desperately need our prayers. Praise God for the support each month as our they travel from village to village delivering sacks of food and supplies to families in need.

Please pray daily for PROJECT HOPE!

We truly covet your prayers as our mission seeks to minister to the people in Peru.

As 2021 nears to a close, we are preparing for the ministry needs in 2022. It is hard to predict where we will be regarding travel as we continue to face this pandemic, but the Heath Family hope to return to Peru in March 2022. Their plan, Lord willing, is to be in Peru for 4 months, from March to June 2022. Rooted In Grace & Love plans to re-start Project Hope with the high school students. Public schools have still not resumed classes in Curahuasi, Peru (it has been almost 2 years). Since 2020, the missionaries have been faithfully reaching and ministering to many of the 180 students who were enrolled in the 2019 discipleship program. Please pray as we work to open this ministry again in 2022, which will help feed and disciple youth five days a week.

We will also continue the work of reaching families with the Good News of Jesus Christ. Praise God, thousands of individuals have heard the Gospel this year as God opened doors to remote villages for the missionaries to minister in. Week after week, the missionaries are sending us stories of lives that are being forever changed. This has opened up doors to have weekly Bible studies in three villages. In addition to these areas, the missionaries will begin studies in 2022 in three new villages working with adults, youth, and children.

The work will be great and there are many areas where we need individuals to serve.

If you are interested in bringing a team next year to Peru, please contact Crissy Heath at crissy.heath@rootedingracenandlove.org. We are moving forward in faith and trusting the Lord to make our paths clear. We ask that you please pray as we know we have to be flexible as travel may change or look different amidst this worldwide pandemic.

THANK YOU ALL AGAIN. WE HAVE BEEN TRULY BLESSED BY YOUR PRAYERS AND PARTNERSHIP WITH ROOTED IN GRACE & LOVE.
