

And God is able to make all so that having all sufficiency times, you may abound in

grace abound to you, in all things at all every good work.

2 Corinthians 9:8

YEAR 2022 BACKPACK MINISTRY

Young children and youth are celebrating all over the surrounding mountains of Curahausi, Peru, as they receive school supplies. Thank you, Lord, for Your great LOVE and for opening doors to teach the students about Your Son, our one and only Savior, Jesus Christ. We praise Lord for this ministry that you laid on our hearts. Thank you to many churches and individuals in the States who helped us purchase all the supplies for 2000 students in 2022. What an INCREDIBLE BLESSING this ministry has been not only to the children who have received this precious gift but also to the missionaries and church leaders who have traveled hundreds of miles to help share YOUR great LOVE.

PROJECT HOPE: 2022

We rejoice today for the miracles that we have witnessed over the last few weeks. We have been working to receive approval to open this ministry kitchen for 200 high school youth. The administrators and cooking staff were hired and after many meetings, the paperwork was finally approved. Just a few short days ago, the doors of Project Hope opened once again. What a sight to see as high school youth gathered to receive a delicious, hot meal prepared by three amazing ladies who LOVE the Lord. We praise God and glorify Him for His continuous faithfulness in ALL things.

Please pray, as we try to minister and love on each of these youth throughout this new school year. Pray as the team will be making 1000 meals a week. During the pandemic, many students suffered as schools closed for two years. The local health clinic has... (continue)

reported that physical and sexual abuse in Peru has significantly increased. Pregnancy rates have tripled among youth ages 14-17 years old. Abortion rates have soared. Young girls are now engaging in prostitution. Drug and alcohol use among teens of this age has significantly increased. Depression, insecurities, and anxiety rates have also risen from the effects of the pandemic. Many families have suffered from extreme poverty and hunger. Studies and reports similar to this have been published all over the world.

BUT GOD...

He has never left us nor abandoned us. He gave His only Son to die a terrible death, to be the perfect sacrifice for all of our sins. Jesus is the Savior of the world.

Join us daily in praying for PROJECT HOPE. Pray for all the missionaries as we try to counsel, love, and disciple each of these students. Pray for many to put their HOPE & FAITH in Jesus Christ.

For the mountains may depart and the hills be removed, but my steadfast love shall not depart from you, and my covenant of peace shall not be removed," says the Lord, who has compassion on you. Isaiah 54:10

Thank you for your partnership, support, and prayers for this ministry. We truly covet your prayers as our mission seeks to minister to the people in Peru.
