# WHAT A BEAUTIFUL MIRACLE PROJECT HOPE 2022

We rejoice today for the miracles that we have witnessed over the last few months. The doors of Project Hope have opened once again. We praise God and glorify Him for His continuous faithfulness in ALL things. As almost 200 high school youth gather daily to receive a delicious, hot meal and spend time studying God's Word, what a sight to see! We are also so grateful to many families and churches who helped us purchase new study Bibles (and highlighters) for the youth at Project Hope. Seeing the youth study God's Word is an incredible blessing! Since the doors first opened in April, over 50 youth have put their trust and faith in JESUS CHRIST.

Over **FIFTY** of the youth's lives have been forever changed. There is rejoicing in heaven! God is faithful! We give Him all the glory!

Please lift the students up in your prayers as many are facing difficult situations in their homes and in their daily lives (hunger, physical and sexual abuse, alcoholism, abandonment, insecurities, prostitution, and extreme depression). It is not easy hearing their stories, but we know God loves them and is in control. Pray faithfully for God to draw them close and use our ministry team to bring Him glory. Pray as almost 1000 meals will be prepared and served and for food to always be available in the village as the country still suffers from the pandemic. Lord, please give each staff member and volunteer daily portions of Your strength, grace, and unending love. Remind us all daily of our need and dependence on You alone. Thank you for your continuous support, love, and prayers for this ministry.

We **LOVED** having the Western Avenue- Mountain Road Team (Statesville, NC) and Kevin Yandle from Mt. Vernon Baptist Church (Boone, NC) serve with us recently in Peru. The teams were a huge help in all our ministries in helping us share the GOSPEL with many. We are **BEYOND** grateful for their servant hearts to come and love on so many here in Peru. Also, the Lord blessed our organization with amazing college interns this summer. Along with the younger Health kids, we had River, Lake & Mallory Sherrill join us and serve as soon...

Anderson is not a baby anymore. Next month, he will turn 6 years old. His heart is still going strong.  
**PRAISE GOD FOR THIS MIRACLE!**

...as their college semesters came to an end. We loved seeing their passion for Christ and using their gifts (music, testimonies, and preparing lots and lots of meals) to help us love the youth and children in Peru.

**ROOTED IN GRACE & LOVE ADDING NEW TEAM MEMBERS**

The Lord has blessed our Peru mission by sending workers to the field. We are so excited to introduce you to the Gamarra Family! Walter & Evita and their three children, Caleb, Jared, and Isaac, have joined the Rooted in Grace & Love team as full-time missionaries serving the people in Peru. Their hearts and desires are to make disciples of JESUS CHRIST. Please join us in praying for their family and for the mission team as a whole. Thank you for your partnership, support, and prayers for this ministry. We truly covet your prayers as our mission seeks to minister to the people in Peru.
