

"And walk in love, as Christ loved us and gave himself up for us, a fragrant offering and sacrifice to God." Ephesians 5:2

July & August were EXCITING months in Peru! This year, Rooted In Grace & Love hosted our first ever student camp for high school girls. For one week, the mission house was filled with volunteers and young girls with a focus on strengthening their faith in JESUS. Praise God, many of the girls gave their lives to follow CHRIST. (Lives were eternally changed!) We give all glory to our Heavenly Father for all that He provided that week and each day as Project HOPE students gather to study His Word. Pray for the new believers and for our brothers and sisters in Christ who sacrificially gave of their time and resources to minister to these young girls.

This year, the mission has partnered with Pueblo del Ninos, the orphanage in Cachora that is the home for 28 boys and girls. This home is continuing to grow in size and Rooted In Grace & Love has come alongside them to help construct a new security wall around the premises of the property. Please pray as the construction work begins. Pray also for each child and for the relationships that are being built as the mission team leads special discipleship classes at the home.

The village ministries are growing as well. Three days a week the missionaries travel to three areas to lead Bible classes to adults, youth, and children. Crowds gather weekly and we praise God for the open doors to teach the people living in the villages. Pray as we encourage all the students to take their lesson and share with their families and their surrounding neighbors. There is POWER in God's Word. God gives us all opportunities to share HIS great LOVE and incredible GRACE with others. Pray for us all to live an INTENTIONAL life for Christ. Praise God for what He has done for us all through His plan of salvation and sending His one and only SON to be the Savior of the World.

There are truly not enough words to express the JOY and EXCITEMENT with PROJECT HOPE - with the daily feeding and discipling of 200 high school students. Daily miracles are being witnessed while seeing God do AMAZING things with these youth. We are now in month SIX of relaunching this program for 2022. Close to 100 youth have given their lives to the Lord this year alone. The youth are hungry to learn and grow in their faith, and for this, we ask that you lift the missionaries up daily in prayer as they counsel, minister, and cook each meal. PRAY as they build deeper relationships with the students and visit their homes to meet their families in the evenings and on weekends. Seeing their living situations and visually seeing the abuse has broken the hearts of our team members. **(Lord, help us!)** Help us all to know how to minister and LOVE when justice is not served and lives are being broken from neglect, physical and sexual abuse, and from complete abandonment. Lord, give us Your eyes and hearts to love others unconditionally. Help us to remember, apart from You, we can do nothing. Give us daily wisdom and guidance on challenges or difficulties we may face. Lord, lead our team.
