STATE OF EMERGENCY CONTINUES IN PERU

As the country continues to suffer from the political crisis, many roads remain blocked. These last few months have left many villages without gasoline, propane for cooking, medical supplies, and shortages of food. Some airports have had to close and flights have been limited. During the protests, lives have been lost and government buildings have been burned to the ground. Fear has left many unsure of the future and many clinging for HOPE. In the midst of it all, the Lord is forever faithful and has opened doors for the ministry to continue. He is FAITHFUL and the GOOD NEWS of JESUS CHRIST is reaching villages and people in great need physically and spiritually. Please pray for Peru and for Project HOPE. Pray for God to lead and guide our missionaries as they travel (many days by foot) to share the LOVE of CHRIST. Pray for many to put their HOPE and trust in JESUS.

We are witnessing countless miracles each day as many are professing their faith in God. We praise God for allowing us to receive food to package for families. We praise God for opening doors last week to receive school supplies for 500 students. We praise God for providing more Bibles for the ministry and Lord willing, for schools to re-open in March for Project HOPE. We praise God for providing new clothes for the children at the both children’s homes in Cachora and Urubamba. We praise HIM for all the families being reached daily with food and much needed supplies. We praise HIM for the widows and for the hearts of the missionaries to sacrificially love and care for each one. We praise HIM for opening doors to minister to the prisoners and their families. GOD hears our prayers. His mercies never come to an end; they are new every morning. (Lamentations 3:22-23) Thank you, God, for it all! WE GIVE GOD ALL THE GLORY AND PRAISE!

Please join us in praying for the days, weeks, and months to come. Pray as we try to bring much needed supplies from the States. The Heath Family had to postpone their flights due to the civil unrest in Peru. Lord willing, as things seem to be improving, they hope to begin their travel into Peru in April to help with Project Hope High School and to bring many bags full of donations and study Bibles. Pray as the team identifies the 200 students in the greatest need for this new school year. This is always a difficult task as the needs are so great. The Lord has blessed the ministry to help students in other ways. This year, Rooted In Grace & Love will have an opportunity to help 500 students continue their studies through the backpack school supply ministry.

We ask that you lift our mission's director, Lucinda, up in your prayers. Last year, Lucinda was diagnosed with thyroid cancer. Praise God as she was able to have surgery and have the areas removed. Please pray for complete healing and for God to be glorified through it all.

THANK YOU again for your partnership, support, and prayers for this ministry. The ministry has been truly blessed by your faithfulness. Please continue to follow the journey weekly via Facebook and our website @ rootedingraceandlove.org.

If you would like more information on partnering with us through a mission trip or other ways you can help support the ministry, please contact crissy.heath@rootedingraceandlove.org.

Your tax-deductible donations are greatly appreciated and can be made to:
