PROJECT HOPE 2023

- TRUE DISCIPLESHIP • GOD’S WORD •
- BUILDING RELATIONSHIPS •

July & August were filled with EXCITING times in Peru with Project Hope. The students are continuing to study through the Bible. We are also BLESSED to now have college students enrolled in the daily discipleship ministry. Twenty college students are now meeting and learning about the love of JESUS CHRIST. Pray for these students as many will plan to move back to their villages and to other cities throughout Peru. Our prayer is that many will put their trust in JESUS and then go and make disciples wherever the Lord leads them.

We had our annual youth camp in August in Curahuasi, Peru. This year we opened the door for young students outside of Project Hope to participate. For 4 days straight, 80 students gathered 24/7 at the mission house and church to learn about God’s unconditional love. The theme for this year was RESCUE and we had guest pastors and leaders share about how teens can come over the addiction of alcohol, say no to drugs, resist the temptation to engage in sexual activity outside of marriage, how to overcome depression, how to protect yourself from human trafficking, and how there is HOPE in the midst of abandonment and abuse. Pray for these students! Many opened up and shared their hearts and battles they face daily with insecurities and abuse. BUT GOD...

BUT GOD...

Praise the Lord, 25 students made a public decision to put their HOPE and trust in JESUS CHRIST. The Lord is FOREVER faithful. Pray for these youth as they face many challenges daily from making this step of faith. Pray for the team as they continue to disciple them and help them in their new walk. The mission team was so encouraged by the messages, support, and prayers that were being lifted up during the four days of camp. Please keep praying. Many students are still seeking and searching for some type of hope. During this event, many students opened up to the leaders and shared some of their daily battles and their struggles with years of pain and abuse.

VILLAGE OUTREACH MINISTRIES

We are in AWE of God's goodness with the ministries in Peru. We are super grateful for the support given to help us purchase much needed food and supplies. This helps open doors for us to meet families where they are and share with them about God's mercy, grace, and unending LOVE. There are no words to fully describe the response and reactions from families and individuals who are living in desperate poverty when someone knocks on their door. We pray daily for God to lead us and guide us to these families. Our prayer is that He will continue to draw many close to Him and use our lives to help share the GOOD NEWS of His Son, JESUS CHRIST. Please PRAY for Peru and the families we will meet. Pray for lives to be changed through the power of HIS Holy Word.

THANK YOU FOR PARTNERING WITH US.
