

The Lord is near to all who call on him, to all who call on him in truth.

YEAR 3: PROJECT HOPE STUDENT MINISTRY HAS BEGUN IN PERU

PERU UPDATES & BACKPACKS:

We are so grateful to be able to return to Peru this year to work with our brothers and sisters on the ground in Curahuasi, Peru. The political crisis and protesting has now ceased and the country is continuing to heal after months of political unrest. Smiles are filling the faces of young children as schools have reopened and roadblocks have ended. The ministry has been incredibly blessed by the **LOVE** shown by many in the States. Through the love and sacrifice of many, necessary school supplies have been provided to help children return to school. Over the last two months, the team has walked many miles, from village to village, distributing backpacks and much needed food to families. Praise God for all the Bibles given to each student and for the **GOOD NEWS** of JESUS CHRIST being preached throughout the land.

REACHING THE LOST:

Rooted In Grace & Love HOPES to reach over 6,000 people with the GOSPEL this year. Pray for the supplies of food to continue to arrive safely to the village. From one home to the next, the missionaries will be traveling monthly to visit 100 families. Pray for hearts to be open to hear the **GOOD NEWS** and for many to put their trust in JESUS CHRIST.

PROJECT HOPE STUDENT MINISTRY:

Project Hope High School Student Ministry opened the doors in April for students to gather around a hot meal and study God's Word. The young teenagers travel hours daily to come to the only high school located in Curahuasi. We are now working in the Book of Genesis going chapter to chapter studying the Word. Each day almost 200 gather and we praise God as we are already seeing new salvations. The Lord is **FOREVER** faithful. It is amazing to see how the Lord provides just the perfect amount of food each day and each week to serve 1000 meals to these young students...(continue)

PROJECT HOPE STUDENT MINISTRY:

The Lord knows exactly what we need and for this we give Him all the glory, honor, and praise. Pray for the students, pray for the mission team, and for many to grow spiritually stronger in their faith. This is our third year with this ministry and we are so appreciative of the support and LOVE by many to help make this possible.

NEW MINISTRIES BEGIN 2023:

This year we have begun two new ministries to help care for the elderly, widows, and men who are serving time in the prison. Many are continuing to suffer from the effects of the worldwide pandemic. Many have been left alone, bedridden, and have no means to gather food and supplies. Pray as we seek the Lord on the best ways to help them. Pray for the men who are lonely and receive very little food in the nearby prison. Praise as the doors have opened to minister to these men and their families waiting outside once a month.

THANK YOU again for your partnership, support, and prayers for this ministry. The ministry has been truly blessed by your faithfulness. Please continue to follow the journey weekly via Facebook and our website @ **ROOTEDINGRACEANDLOVE.ORG**.
