PROJECT HOPE 2023

TRUE DISCIPLESHIP • GOD'S WORD • BUILDING RELATIONSHIPS

Lots of excitement in Peru during the last two months. Project HOPE students are gathering daily to study the TRUTH in God's Holy Word. The support staff has done an AMAZING job preparing hot meals for them and spending time with them to build deeper relationships. These young high school students need our prayers. Many are faced with struggles from living in unstable homes. Our team is working hard to intervene on some of the most difficult situations as young girls confess being victims of rape, abuse, and abandonment. As relationships are being built, young boys are confessing their struggles with drugs, alcohol, and pornography, which has left many feeling alone, depressed, and feeling completely HOPELESS.

GOD'S WORD IS GREATLY IMPACTING THEIR LIVES.

Lives are being forever changed as students are turning from their life and desire of sin and putting their HOPE and TRUST in JESUS CHRIST. Seeing the impact this is making not only for the students, but also for the teacher and cooks who are pouring LOVE into each young adult and pointing them to CHRIST. We praise GOD, not only for ALL that He has provided , but for opening the doors of PROJECT HOPE and giving the youth a safe place to come and learn about HIS great love.

There has never been a better time to join us in praying for these youth and their families. Some parents are seeing God work in their children's lives and from this a new discipleship class has started on Sunday for the whole family to attend. GOD IS FAITHFUL! Please lift the missionaries up daily as they walk with the youth. Commit to praying faithfully for many to come to know JESUS CHRIST as their LORD and SAVIOR.

We are so excited to see what all the Lord has in store through this ministry. We would love to have you come and serve along side us in Peru!
