

Merry Christmas

THE ROOT. VERSION 38. SEPTEMBER-DECEMBER.2022

"For to us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace." Isaiah 9:6

JOY TO THE WORLD THE LORD HAS COME

Praise God for all that He has provided! We praise as the world prepares to celebrate the birth of JESUS CHRIST. We want to send a note of thanks and to share some of the ministry highlights for 2022. We are FOREVER blessed and thankful AGAIN for your partnership with Rooted In Grace & Love. This year as the government lifted the country wide lock-down from the pandemic, the Lord opened many new doors to minister from village to village. Many adults, youth, and children throughout this year put their trust in JESUS CHRIST. Lives were FOREVER changed! In March, the doors of Project HOPE High School were reopened after being closed for 2 years. Each week, approximately 200 high school students gathered daily under one roof to study God's Word and enjoy a hot meal. Over 100 of these youth have made a public profession of faith this year. God also led our team to 3 new villages to disciple the local people weekly and teach them His Word. What a JOY to see so many digging deep into the Word. 2000 backpacks filled with mandatory school supplies were also delivered to help many impoverished kids re-enter school again after being closed for two years. In remote villages, God opened doors to help build a new church building and work with pastors who are struggling from the effects of the pandemic. As churches are starting to grow again we are witnessing God's incredible faithfulness. Throughout this year, hundreds of families were reached with much needed food and supplies and heard the greatest story ever told about how our Savior, JESUS CHRIST, gave His life so we could have eternal life. This year, our eyes have unfortunately seen more teen girls and boys suffering from physical and sexual abuse. But God...as our hearts were broken, He provided our team with partnering ministries to be able to help us to minister and counsel these youth who are living each day with no feeling of HOPE. He reminded us they are WORTHY - so WORTHY of His praise, love, grace, and mercy. So for this, we give Him all the glory. There are no words to fully express how much we appreciate your faithfulness in continuously praying and for each blessing we witnessed during this year, but we want to say THANK YOU! Thank you for your love and heart for this mission.

And as we quickly approach 2023, please join us in praying for all the ministries and for the Lord to lead and guide us.

2023 PROJECT HOPE: BACKPACK MINISTRY

Please join us in prayer as we begin distributing backpacks to 500 students early in 2023. Each backpack will cost \$50 and will be filled with necessary school supplies, food, and a new Bible. As many families continue to struggle with the rising food costs and shortage of supplies, we hope to help continue to get youth and children back in school. Pray for the team as they identify families and students in the greatest need.

2023 PROJECT HOPE: HIGH SCHOOL MINISTRY

Please pray as we HOPE to continue this ministry of working again with 200 high school students starting in March of 2023. Pray as we will be providing 1000 meals a week. Also we are working with directors now to try to expand this ministry to local college aged students for 2024. Please pray for the Lord's guidance.

2023 PROJECT HOPE: VILLAGE MINISTRIES & REACHING 100 FAMILIES A MONTH

Join us all in praying for the discipleship village ministries weekly in 3 areas: Ccoocua, Puca Puca & Concacha. Pray as we work with the local pastors. Lord willing, we HOPE to reach 100 new families a month with the GOOD NEWS of Jesus Christ in new villages.

2023 PROJECT HOPE: PRISON MINISTRY

We are excited to begin a new ministry in Peru ministering to the prisoners in the village of Abancay. Please pray for our mission team as they have been granted access once a month.

2023 PROJECT HOPE: CARING FOR ORPHANS, WIDOWS & THE ELDERLY

Many widows are struggling and so many elderly are in desperate situations. Pray for the children who have been abandoned. Pray for God to give us wisdom and guidance for this ministry.

Join us in praying again as we begin a new year. We covet your prayers, love, and support as we seek to bring the everlasting HOPE, found only in JESUS CHRIST, to the people in Peru.
