We praise GOD for the miracles and blessings of seeing lives being FOREVER changed in Peru. These last two months have been full of IMMEASURABLE BLESSINGS as the team continues to prepare hot meals daily for the students. The high school and college students are studying God's Word and for many of the students, their faith is growing deeper and deeper. After the daily class, some students continue to stay longer to sit with the team leaders to share their struggles, ask more questions about what they are reading, or how to know God more. They are seeking TRUTH and unconditional LOVE. Their hearts are longing to know JESUS more. Join us each day in praying for them. THEY NEED OUR PRAYERS!

In the midst of the beauty, Satan still attacks and deceives. Please pray for some of the young men battling addictions to drugs and alcohol. Pray for girls being abused both physically and emotionally from family members who want nothing more than to hurt and take advantage of them. Heartbreaking stories as young girls begin to share their pain and struggles with not feeling worthy and loved. We know that God is faithful. Pray for the team to persevere and keep seeking God in all things. He is our portion and His mercies are new every day. (Lamentations 3:22-24)

The weekly village ministries are continuing to grow strong. The ladies' ministries in one village are now reaching around 160 women in attendance a week. Pray as we are breaking up into smaller groups, also with the youth and children. Many women are confessing their faith in JESUS CHRIST. For this, we give God all the glory and praise. There are many new believers and we want to ask that you pray for the team specifically as they seek to disciple and walk alongside our new brothers and sisters. Pray for many of the husbands who are not attending church. Pray for their hearts to soften, their lives to change and for God to draw them close to Him. Pray for many to turn away from sinful habits being fully dependent on alcohol and idolatry. The women and children are suffering greatly from this generation cycle and lack of faith by the fathers. Pray for the...

PROJECT HOPE 2023

...Lord to raise up strong spiritual godly leaders within the homes, villages, and in the churches.

Pray for the mission team as they travel from village to village and home to home sharing the Good News. Pray for the young girls being targeted by human trafficking. Pray for an end to this horrific torture and deception as girls are being sold in sex slavery, including small children, to meet the global demands of pornography and prostitution. *Lord, help us! We need You in a world full of darkness. You are our only HOPE. Please, Lord, lead us and guide us each and every day. Amen* "Learn to do good; seek justice, correct oppression; bring justice to the fatherless, plead the widow's cause." (Isaiah 1:17)

ROOTED IN GRACE & LOVE 4th ANNUAL GOLF TOURNAMENT

We would like to thank you all for your love and support given during the recent annual Rooted In Grace & Love Golf Tournament. We were so blessed by our friends at Lakewood Club for helping to make this event possible. We would like to thank everyone who came out to support the mission and to enjoy an AMAZING round of golf on that beautiful October day. We praise God for you all and look forward to the day when we can all gather again.
