

## GOD IS FOREVER FAITHFUL

April and May have been full of blessings in Peru, as the new PROJECT HOPE school year has officially kicked off. This is our 5th year ministering to youth during the week (5 days a week), serving them a hot meal and discipling them through God's Word! Pray as we have now opened the doors to serve 300 high school and college students this year (approximately 65,000 meals). The new College Tech and new University have joined us this year. We praise God for opening these new doors. Pray for ALL the new and returning students. Join us each week in lifting up this ministry in prayer.

We are so grateful to many for the partnership with the Foods for Families In Need Ministry. God continues to lead our team to families in need of not only food, but the GOOD NEWS of JESUS CHRIST. Pray for families hurting emotionally, physically, and spiritually. Our only HOPE is found in CHRIST. Pray for many to put their faith in Him alone.

We are still helping families in need with school supplies. Pray as the final backpacks are being delivered to remote villages. Pray for the students who will receive the bag full of needed supplies. Pray for the hands that will receive the greatest gift inside each backpack - God's Holy Word. Pray as the GOSPEL is shared in each community and surrounding schools.

Please lift up the children who have been abandoned in Peru. Orphanages are full all over the country. Pray for all the young children and for God's love to spread throughout every area of this beautiful nation.

In just days, the Heath Family will be returning to Peru. This summer, we will once again have AMAZING teams joining us from the States to help us with the ministries in Peru. We PRAISE God for the churches and individuals that will soon arrive to Curahuasi, Peru. It is an absolute blessing to have all the extra help in serving the people daily with the ministries of Project HOPE. Pray for all the upcoming flights as they arrive weekly and for the bags full of donations that will be brought by the volunteers. Thank you to ALL who have helped donate, pack, and volunteer to bring these much needed supplies.

**A SWEET SURPRISE:** The missionary team was blessed by a special visit by Levi Park. Levi is the brother of the late, Lucinda Clark, who served along the mission and on the board of Rooted In Grace & Love. Levi encouraged the mission team and toured the future safe house being named after his sister and the Director of Peru, Lucinda Valer. Both Lucindas have greatly impacted many with their love and faithfulness to our Lord and Savior, Jesus Christ.

Pray as the doors for the new SAFE HOUSE open soon. We are super excited to be able to house young girls attending the local schools. Pray for this beautiful opportunity to disciple them daily and teach them much needed life skills. Pray for our team and the caregivers who will oversee the home. Lord willing, the new home (Casa de Lucindas) will open this month. Pray for the Lord to lead and guide us with this new ministry for Rooted In Grace & Love. Thank you for ongoing support, love, and prayers for the ministries of Rooted In Grace & Love. Your partnership means so much to us all.
