

“So that Christ may dwell in your hearts through faith—that you, being rooted and grounded in love, may have strength to comprehend with all the saints what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, that you may be filled with all the fullness of God.” Ephesians 3:17-21

JANUARY - MARCH 2025

GOD IS FOREVER FAITHFUL

Year 2025 has just begun and children and youth in Peru are enjoying their summer vacation. Our mission team has been traveling to new villages sharing the GOOD NEWS of JESUS CHRIST. Praise God for His provisions with the new school backpacks. All 500 bags have been packed and ready to bless children who need these supplies to return to school. Thank you for partnering with Rooted In Grace & Love to help purchase the required supplies and the new Bibles.

What a huge blessing to have two USA teams join us in March. First, we had the Arkansas team from The Baptist Prep School. This team of eleven arrived ready to serve and help our mission team minister to hundreds in surrounding villages. Each day the Spanish speaking students helped deliver food, supplies, and backpacks. They joined our team in teaching children, youth, and adults. The team came prepared to share the love of Christ through skits and puppets, which brought so much JOY. It was amazing to see and hear their testimonies of faith and hearts to reach the nations. We praise God for this team as they come year after year to faithfully serve the people of Peru.

Soon after, the Gym Masters Acrobatic Team from Tennessee arrived in Curahuasi, Peru, for the first time. There are no words to fully describe the passion and hearts of the gymnasts as they performed routines in front of hundreds of people sharing the amazing love of Jesus Christ and how He came to save us all. The team of 32 worked hours on preparing much needed crafts, helped deliver food to families in need, loved on the children living in the children’s home, and helped deliver backpacks to students.

The Tennessee Team LOVED and served others with all their hearts and performed incredible routines with their God given talents. We praise God for the doors that have been opened to share so many Bible stories as the team performed and acted out the stories. The stories of the Bible became so real to the children and youth.

We are excited for school starting back up in Peru. Lord willing, Project Hope will once again open the doors to feed and discipline college and high school age students. This year our HOPE is to have 300 young adults in this daily program. Pray daily with us as we minister to these students. Pray for our upcoming first day of 2025 (Monday, March 31st). Join us also in praying for the families that we hope to reach this year with our food for families ministry. We hope to meet many of the students' parents and siblings as we travel home to home in many different surrounding villages.

This summer we are EXCITED about our volunteers coming to serve alongside the mission. Pray for the work ahead as we are also partnering with Samaritan's Purse to bring many children gift-filled Operation Christmas Child shoeboxes with the message of the Gospel of Jesus Christ. We are truly grateful to come alongside this ministry. Please pray for the weekly discipleship classes that will teach the youth about our Lord and Savior.

Pray along-side the mission team in Peru. Our HOPE is to open the doors for the new Safe House soon for young women. Our team has been preparing and praying for months for this new ministry. Pray for the Lord to lead and guide us each day. We are so GRATEFUL for your continuous love and partnership with Rooted In Grace & Love. Thank you for all of your support! **God is FAITHFUL!**
