GOD IS FAITHFUL

www.rootedingraceandlove.org

The months of July and August overflowed with lots of LOVE from the volunteer teams. Daily students dived deep into God's Word at PROJECT HOPE. It is amazing to see God working in the lives of the youth. Pray as their lives are being FOREVER changed, and as they grow in their faith and walk with JESUS. Pray for all the new believers this year and for others who have not put their trust in CHRIST alone. WE PRAISE GOD! Over a thousand meals are prepared and provided weekly. Thank you for your partnership with this discipleship ministry.

We are seeing God's unending grace and mercy fill the streets in the villages of Peru. The mission teams have helped us travel hundreds of miles on survey roads and rough terrain to reach new areas to share the greatest LOVE of all. Amid darkness and a world full of sin, there is HOPE. Adults, youth, and children are gathering together to hear and study the Word of God, and week after week, we are seeing miracles and God's love never running out. There is no end to the mercies of God! To witness His miracles in families who are walking through difficult times and who started to believe there was no HOPE...but GOD! We praise YOU for your steadfast LOVE and FAITHFULNESS in the lives of the people surrounding us.

"To open their eyes, so that they may turn from darkness to light"

ACTS 26:18A

MT.VERNON TEAM 2024

This summer the mission hosted our 3rd annual camp for high school and college students. For one week, 100 young adults participated in daily activities and breakout sessions teaching Biblical truths targeting specific issues and struggles that teenagers face such as the value of life, how to study the Bible, knowing your purpose, identity in Christ, learning English, and so much more.

What a BEAUTIFUL picture of GRACE as youth gathered from different parts of the world in a small village in the Andes Mountains. How amazing to see the students from Mt. Vernon Baptist Church teach and pour their hearts out to reach, love, and serve the youth in Peru. And then to travel each day, sharing God's creation with children and orphans suffering not only physically, but most importantly spiritually...with no HOPE and in great need of a SAVIOR.

God, use our lives as an instrument to encourage and LOVE others. Use our lives to help reach thousands of people who have yet to hear about your mercy and grace in Your Son, JESUS. Lord, lead us and guide us at every moment. Please give strength daily to our mission team. Thank YOU for EVERYTHING. We give you all the honor and praise!
