This summer has been filled with so many INCREDIBLE moments serving with volunteers from the States. We praise God for our friends and church families stateside who help support, love, and encourage the mission of Rooted In Grace & Love. We witnessed God move in powerful ways as we all served together to share the LOVE of JESUS CHRIST.

Week after week, team members gathered to pray with the local missionaries to prepare their hearts to courageously share the hope of Jesus to many in need of a Savior. Our prayer was for God to interrupt our days filled with our own ideas and schedules, and instead, lead us each moment to bring Him glory and to make His name known among the people in Peru. With each new village, new area of ministry, or wherever we ended up for the day, we felt God's amazing presence. After long days, we loved gathering late in the evenings singing songs of praise, sharing testimonies, and learning about the goodness of God.

New ministry doors opened for Rooted In Grace & Love during the summer months. The new Casa de Lucindas Safe House welcomed young women for the first time. Our hope is to shower them all daily with compassion and to show them the love of Christ as we walk alongside them in their life journeys. Please join us in praying for these young ladies. Pray for their salvations and for God to help us minister and love each one.

For the first time, the college ministry opened their doors for our mission teams to teach the Bible daily and to begin new English classes. We praise God for the beautiful friendships that are being built and for the opportunity to have conversations around our HOPE and FAITH found in CHRIST alone. We are continuing to pour into this next generation as we also disciple high school students in Project Hope. Our HOPE is to help raise up young leaders who are passionate about living for and following JESUS. What a blessing to witness God's provisions daily as 300 hot meals are prepared and served to help meet both their physical and spiritual needs.

We are so thankful for all the volunteers for not only serving the students in Project Hope, but for also walking many miles to help feed, pray, and serve families in need. Every act of kindness reflected God's great LOVE in action. We are in awe of God's great LOVE and what He is continuing to do through the mission of Rooted In Grace & Love. We praise Him for all the volunteers and the sacrifices made to help them travel thousands of miles to serve.

THE MISSION OF ROOTED IN GRACE & LOVE

was truly blessed by the partnership this summer with Samaritan's Purse and for their OCC Shoeboxes that the mission was blessed to help distribute. The local missionaries brought the Good News to many children and families throughout remote villages of Peru. Seeing the JOY and smiles of all the children as they gathered to read and hear our Savior, Jesus Christ, left an incredible impact on our lives. Witnessing lives being eternally changed was a true miracle! Praise God for the work of this mission organization and for the families and individuals who helped pack each box.

Also in Peru this summer, Rooted hosted our annual youth camp for 105 local high school students. The camp participants arrived on day one with lots of excitement for the 5-day camp. Youth from Boone, NC, came to serve, teach, lead worship, and grow in their faith alongside students their age - all while diving deep into what it means to put on the full armor of God. Games and Bible study challenges brought energy and lots of JOY, while reinforcing the lessons learned through Scripture. Each moment of camp built incredible friendships! We are so grateful for all the leaders and students who made this youth camp possible. God is moving through this young generation. We give Him all the glory, honor, and praise!

Join us this year in praying for the Lord to lead and guide the ministry for Rooted In Grace & Love. Thank you for the ongoing support, love, and prayers for the ministries Project Hope. Your support and prayers truly makes a difference.

PRAY FOR LIVES TO BE ETERNALLY CHANGED!

*"I have been crucified with Christ. It is no longer I who live, but Christ who lives in me. And the life I now live in the flesh I live by faith in the Son of God, who loved me and gave himself for me."*
