

Anderson Turns 8

And there is salvation in no one else, for there is no other name under heaven given among men by which we must be saved.”

ACTS 4:12

We praise God for all that He has provided! May and June have been blessings as teams traveled from the USA to help serve and support the mission of Rooted In Grace & Love. Hundreds gather weekly in remote villages and at Project Hope to study God’s Holy Word. Lives are being FOREVER changed as young students and families put their faith and HOPE in CHRIST alone.

Project Hope High School/College students are coming together each day of the school week to share a hot meal and receive lots of LOVE from the mission staff. Seeing young adults dig into God’s Word daily has been an incredible sight to see. Many of the students still struggle with physical and emotional abuse, drugs, and alcohol, but each day, we are witnessing lives being radically changed. Pray for the staff each day as hundreds of meals are prepared, and served, and the team spends time building relationships with students enrolled in PROJECT HOPE 2024. We have been incredibly BLESSED by the extra hands and prayers lifted up by the team members who have joined us this summer.

Lift our PROJECT HOPE FOOD ministry as we continue to travel from village to village and home to home sharing the Good News of Jesus Christ. Our prayer is that many families and individuals will put their trust in JESUS as we try to invite and plug them into local churches and ongoing Bible studies. Every day seems like a new adventure traveling through Peru’s mountains and on narrow dirt roads. Seeing glimpses of HOPE and hearts being open to hearing about God’s mercy and grace has made it all worth it. We give God all the glory, honor, and praise! He is FAITHFUL!

The village ministries are continuing to grow. Small children, youth, and adults come together weekly to study the Word and share testimonies of God’s faithfulness. Pray for the new believers and for many others who have not put their faith in JESUS. Many in Peru are still blinded by sin and false religions. Pray for God to lead and guide us. Pray for God to work in the hearts and lives of the people in Peru. Pray for many to repent and turn from their false gods and life of sin.

SUMMER TIME IN PERU

This summer we have had some AMAZING college interns serving alongside the ministry. We praise God for each one as they help the mission in so many ways. From teaching, translating, preparing crafts, serving meals, helping with construction, sorting through donations, leading teams, etc...(the list just goes on and on). For the missionaries serving full-time, these students have BLESSED them tremendously. We LOVE seeing their hearts and passion to serve and sacrifice so much to come and serve. Pray for these college students as they return to their universities. Pray for God to lead them as many want to serve full-time in different parts of the world.

The remodeling and construction of the future Safe House (Refuge) is underway. We HOPE to complete the construction by the end of July and begin the process needed to open the homes for students in our Project Hope program to have a safe place to live. We need lots of prayers for this project and guidance from the Lord as many important decisions are being made. Pray that this mission home will be a great much-needed blessing for girls suffering from abuse, abandonment, and at risk of being trafficked.

Lift the Urubamba Children's Home and the orphanage in Cachora. The young children are so grateful for all the LOVE that has been shown to them as many have helped purchase clothes, shoes, and food. Pray for the house parents as they minister and disciple the young boys and girls daily. Pray for their strength and for all their needs to be met.

As we celebrate the 10th anniversary of the mission of Rooted In Grace & Love this year, we want to say THANK YOU for your love, prayers, encouragement, and partnership for all these years. We praise GOD for your faithfulness and LOVE that you have shown many. Keep praying for lost souls. Pray for missionaries all over the world sharing His great LOVE. Our prayer is that we will all stay focused on JESUS and pray for many to trust in CHRIST alone.
