Right: Crissy teaches Bible lessons at Alameda school.

For everything comes from him and exists by his power and is intended for his glory. All glory to him forever! Amen.

- Romans 11:36

Arkansas Baptist Preparatory High School Serves in Peru

The Heath Family and the ALMA team were blessed to have twelve students and two teachers from Arkansas Baptist Preparatory High School to come and serve in Curahuasi. This team focused on evangelistic village outreaches, teaching Bible in the local schools, construction on the ALMA Children's Home, and sharing the gospel with people in the village. Because each student was fluent in Spanish, the local churches opened their doors and allowed them to share their testimonies, skits and love for the Lord through praise music and worship. Mark Tyler and Lucinda Clark led this incredible team from Little Rock, AR.

Mt. Vernon Baptist Church Serves in Peru

Mt. Vernon Baptist Church from Boone, NC, sent a team of six led by Jim and Linda Shoemake. This team helped with the plumbing and construction of the ALMA Home and Mission Home. The team also taught children in some of the local schools. They led a Ladies' Conference focusing on the Book of Psalms and provided Bibles for the weekly ladies' ministry. Several women in desperate need were helped in a small business startup project by selling food

at the local market. The Mt. Vernon team also provided food for families in need and helped us minister to many of the locals in the market by sharing how God sent His only Son to be the Savior of the world. What a blessing! Thank you!

Running Club

Every Wednesday, kids gather in the Plaza to share their passion of running. Pray for these kids as they learn Bible stories and hear about the love of Jesus through devotions and prayer.

Alameda School

Pray for the 25 students at Alameda and for their weekly Bible class. The students are keeping notebooks filled with Bible stories that they are learning and are encouraged during each class to share with their families and neighbors.

New Ministry: "Lucmos"

Doors are opening to minister in a new village school called "Lucmos". This school consists of 10 students who have been abandoned, abused, and suffer from malnutrition. Please pray as this new ministry begins.

Youth Discipleship

Pray for the new youth discipleship group that meets weekly to disciple boys. Some battle temptations and peer

pressure, and they see no need for learning about the Bible or having a relationship with God. Pray that the Lord is glorified and their hearts are open.

Water Crisis Continued

The village of Curahuasi is still in desperate need for rain. The rainy season has ended and many families are hurting from their lack of jobs, crops and daily water. Many have gone without water for weeks. Protests and fighting have begun as the local government has not come to help. Pray as schools are closing at times due to protesting. Also, pray as the local government will not allow ALMA to have access to water, which will not permit us to accept children. We are seeking and praying for a well that will provide for the ALMA Children's Home and others in the community.

Blog Info and Giving Options

We would like to thank you again for all of the support that you continue to give to our family as we serve here in Peru! We are so thankful for the volunteers that have come this year and for the teams that are planning to serve this summer. Please continue to pray that God will lead us each and every day to be faithful and obedient to Him. For more updates and photos, check our blog:
