Yadkin County Team

In June, the Yadkin County Volunteers joined the Rooted In Grace & Love, Inc. team here in Peru. This team came to serve the local people by distributing

much needed food for families, helped establish start-up businesses for abandoned women, and helped provide clothes/shoes for 26 boys in a nearby orphanage. This team, led by Patty Williams and Bridget Boyles, served for the fourth year here in Peru.

Alameda School Playground

What an amazing blessing we received as the Yadkin County team helped us with the ministry at Alameda School. They helped raise support from many in their county to build the village school a playground. The children were full of smiles and couldn't wait for the concrete to harden before jumping on their new swings and slide!

Thank you so much for all the love you gave them and for helping to share the amazing grace of God's only son, Jesus!

Collide Church

Collide Church (Yadkinville, NC) sent a team of seven in June. They were led by Susan Doub. The team spent many hours of their week working on the construction of the new Rooted In Grace & Love mission home and helping to financially support and build part of the

new playground for the future ALMA Children's Home. We were truly blessed to have this church join us for the first time here in Peru.

Yadtel Company Donates

A huge thanks to Yadtel for helping to provide much needed shoes and clothes for the boys in the Urubamba Children's Home in Peru. Thank you for this incredible gift and sacrificial love!

Colorado Turns 1 Year Old

June was a special time for the Heath Family as we celebrated Colorado's first birthday! Praising God for bringing us two groups this month to help us celebrate this special day!

Intern Hannah Rogers

We are so glad to have Hannah Rogers from Ouachita Baptist University (AR), serving with us for 2 months this summer! She is helping with teams and our weekly ministries in Peru.

Please continue to pray:

- 1) For the drought/ lack of rain here. The ALMA Children's Home is in desperate need of a well for 56 children. Pray they find an organization that can drill a well.
- 2) For the weekly local school/village ministries, youth discipleship group, ladies' ministries, and running club. Pray for many to come to know Jesus Christ as their Lord and Savior.
- 3) For the construction of the new ALMA Children's Home and Rooted In Grace & Love Mission Home.
- 4) For the Curahuasi Baptist Church Youth Group, as Sean has been asked to help lead and teach this group every Saturday evening starting in June.

Blog Info and Giving Options

Thanks for all the support that you give to our family as we serve in Peru! We are thankful for the volunteers that have come to serve. Please pray that God will lead us to be obedient to Him daily. For more updates:
