TWO MAN TEAM SERVES IN PERU

It is a Brand New YEAR

We are so excited about 2017! This year marks the sixth year of serving in the Andes Mountains of the beautiful country of Peru. January has been an amazing month for Rooted In Grace & Love as the New Year weekend kicked off with our annual MRT 5K Run for Peru Race @ Beulah Baptist Church. A huge thank you to all the runners/walkers who came out to help support the run and the mission in Peru. We greatly appreciate Scott McLelland and the MRT Racing Team for hosting this incredible event!

In mid-January, Beulah Baptist Church hosted the 5th annual benefit concert to help support the Heath Family as they continue to serve and share God's Love in Curahuasi, Peru. This year, Kingdom Heirs and Second Generation Quartet joined together for an incredible evening of music and worship. As hundreds gathered, many of the musicians shared their testimonies and God's plan of salvation through His one and only Son, Jesus Christ. We thank God for this yearly event and pray for all the lives that were touched and changed as God was glorified through these talented musicians.

The Heath Family were so blessed to have Jeff Tucker and Kirk Bandy join them on the mission field in Peru in early January to serve for two weeks. The two man team helped provide a much needed pump for the new well

that serves the ALMA Children's Home and the Rooted In Grace & Love Mission Home, constructed much needed items, and served/loved several families who struggle day by day. We thank God for faithfully serving and traveling hundreds of miles to encourage others and share JESUS.

God is raising up new missionaries... please pray as a local family from Curahuasi have felt called to begin seminary training in Paraguay. They will begin their studies in February and hope to return to their home village after their training to serve and minister. It has been an incredible sight to see God @ work in such mighty ways.

Rooted in Grace & Love has officially launched the first t-shirt design - Shout it from the Mountains (Isaiah 42). If interested in purchasing, please email us at heathfamilyjustlovejesus@gmail.com.

Please continue to pray for the ministries in Peru and for God to lead the mission teams this year in far reached villages. Pray for many who do not have a personal relationship with Jesus. May God Bless you for your love, prayers & support. We hope that you will follow us on Facebook and check out our new website with up-to-date team highlights and how you can get involved with the mission and vision of the Rooted In Grace & Love team.
